Summary

In the past: Software Developer. Today: Development Support Engineer

Experience

Senior Development Support Engineer
CloudBees

May 2021 - Present (1 year 4 months +)
Supporting teams to build software that matters.

Average personal stats:
- Tickets taken last 6 weeks: 100
- Tickets solved last 6 weeks: 80
- Tickets taken - last 3 months - per day: 4
- Tickets solved last week: 20

Troubleshooting areas:
- Jenkins & CloudBees products (on prem Linux and Windows and different Cloud Providers)
- Kubernetes troubleshooting on an enterprise level
- Performance
- Scripting (Groovy & bash)
- Connectivity (SSH build agents, jnlp build agents, K8s cloud agents)
- Assist with tooling and documentation to improve our teams knowledge

Track and Field Coach
Diana Athletic Club

Sep 2019 - Present (3 years +)
Athletics coach at the Diana Athletic Club. A club created to give visibility to women in sports. I am in charge of training adult groups from beginner levels to competition (cross country, track and field, and route competitions). Helping people achieve their sports goals, regardless of their physical condition

CI/CD System Administrator
Ávoris

Sep 2016 - May 2021 (4 years 9 months)
Helping more than 200 developers in their day-to-day with the CI/CD platform. The rest of the time maintaining and improving the platform.

- Jenkins (groovy pipelines, jcasc config), Atlassian Stack, Artifactory, SonarQube and more over Kubernetes (OpenShift Container Platform)
- Gitops (ArgoCD)

- OCI image security (Coreos Clair/Trivy) and OWASP software security.

Education

Universidad de Oviedo
Software Engineering Degree, Software Engineering
2011 - 2012

Universitat de les Illes Balears
Lean & Agile Project Management Expert, Software Engineering
2015 - 2016

Universidad de Oviedo
Computer Science Engineering, Software Engineering
2006 - 2010

3-year university degree with a focus on Information Systems and Software Engineering

Sagrada Familia de Urgel
Senior Technician in Computer Systems Administration, System Administration
2003 - 2005

Licenses & Certifications

Jenkins Engineer - Jenkins
13014231

Certified CloudBees Jenkins Engineer 2021 - CloudBees
36407127

AWS Certified Cloud Practitioner - Amazon Web Services (AWS)
Issued Mar 2022 - Expires Mar 2025
677c0add-391e-40c7-9fd0-67a56ce21ffe

CloudBees CI Essentials - CloudBees
Issued Mar 2022 - Expires Mar 2025
e6704a7b-6eda-476a-93f3-dd7a7ae54618

CloudBees CD/RO Essentials - CloudBees
Issued Mar 2022 - Expires Mar 2025
5f25f256-eb2c-40b3-8f7c-1e266d2b556a

GitOps Fundamentals - Codefresh
625d6ed8c18e6e177328b4cf

CKA: Certified Kubernetes Administrator - The Linux Foundation
LF-e2olmeez2y

JVM PERFORMANCE ENGINEERING AND TROUBLESHOOTING CERTIFICATE -
yCrash
62tqsm

Liquibase Fundamentals Certification - Liquibase
55131815

Google Cloud Essentials - Google Cloud Training Online
2537286

Skills

Performance Tuning • Helm Charts • Jenkins • Kubernetes • Go • Java • Docker • Jira • Git • Maven
